You will be spoilt for choice in terms of dining at the Splash where you will find great menu choices and a nice spot to eat during the day. Our food specializes in grills, barbecued dishes and curries. One of the main highlights of Splash is that it proves to be a perfect place to unwind with an eclectic mix of drinks in a well stocked bar with a wide variety of spirits and alcohol, a good collection of wines, a creative bartender who is more than happy to stir up some concoctions and an electrifying music.

Coming Soon...

Plush, Open Air Rooftop Restaurant specializing in grilled food and cocktails. Our guest could enjoy a memorable evening under the starry sky with great soulful music, food and drinks that is tastefully divine. Gold coin's reputation of serving great tasting food has coupled with the intimate ambience of open air make it favorite among the foodies.

Whether you desire to have a candle light dinner with your loved one, a weekend outing with friends and colleagues, or a lazy Sunday afternoon lunch with the family, Gold coin provides the right setting for each. These gourmand creations are augmented by a superlative wine, cocktail and beer list with domestic and international spirits.
